What up famalam??? So late Thursday I got some twitter DMs with intel about lying Gabe Hoffman the pedophile white knight. Hoffman also attacked me on Friday, trying to string arm me into recanting my allegations against Seth Green. I told him to get fucked. Also he coordinated with Enty to run a blind about me on CDAN saying that I had received a cease and desist from Seth and Clare. Twitter nuked my account by the end of the day, including my DMs. Luckily I took some screen-caps. These maybe of use to researchers.

In other news, Craig Sewer is a glow in the dark. Gabe ran to his rescue when I called him out the other day. Gabe Hoffman (Open Secret) also slandered Voodoo doughnuts whistleblower Michael Whalen, saying he is a fugitive on the run from Justice. Watch out for bad actors. There are many. Unirock. Random rants of Ryan, and a million other lame losers. The shills give themselves away by their tactics every fucking time. Pay attention. Sara Ashcraft has actually done an amazing job pinpointing the tactics. Be wary of gas lighting slandering faggots like (((Gabe Hoffman))).

He made the Open Secret pedo doc that (((coincidentally))) focuses on some white guy pedos in Hollywood and not the satanic cult fake Jew pedos. He attacks whistleblowers. He is a fucking fraud just like Craig Sewer.

The illuminati Jews is the group (((Gabe Hoffman))) is covering for. He was to act as a funnel for abuse victims so they could be dealt with.

I have made fuck all for money. I am not monetizing this. I don't have a patreon, I don't have a PayPal.me, And in fact I turn down people all the time that want to donate. I've noticed the shills like to use this money angle, because they know that people need money to survive and they want to cut off all support. That's what luciferian faggots do. They cut enemies off from support of ALL kinds. This info is posted so ppl will dig and we can nail that faggot Gabe to the wall. I already posted a document of Gabe threatening a whistleblower pedo VICTIM in 2015. The pattern is there. This faggot, the illustrious lying Gabe Hoffman, pedophile white knight, is a scumbag. Open Secret is a limited hangout.
